Sir

Subject Departmental management of the weekly shandy at Konanur

Adverting to your D O letter No L 7093 dated Ml 97-42-13 dated the 19th January 1943, requesting for certain particulars on the above subject, I have the honour to enclose herewith a statement showing the establishment maintained in Konanur Municipality for the collection of octroi and other items of Municipal revenue.

It is reported by the President, Konanur Municipal Council that on shandy days in addition to the eight men employed on daily wages, the services of the Municipal staff are also being utilised for collection of shandy fees etc It is stated that there are five entrances to the shandy ground and at all such entrances proper arrangements are being made for collection work under the supervision of the Assistant Sanitary Inspector. The Municipality has already realised Rs 1567-5-6 for only six and a half months against Rs 1700/- the highest bid offered at the sale of the shandy fees for the year 1942-43, which indicates that the present departmental management of the shandy is really profitable to the Municipality Further the Vice-President is reported to take keen interest in the collection work of shandy fees and there are no chances of leakage of municipal revenue

13

Under these circumstances, I recommend that the orders of Government may kindly be obtained for incurring an expenditure of Rs 4/- per week for employing eight men on daily wages at least till the end of the current official year when the position may be reviewed again Connected records accompany

From The D.C. Kottayam

Letter no Ml C 2285/42-43 dt 10-4-1943, requesting sanction of Government to work the weekly Shandy at Kosamam on "Emam" basis at an Expenditure of Rs 24/- per week on Shandy days.

1) The discussions leading to the G.O dt 19-10-1943, are of personal.

2) The Municipal Council contend that the establishment sanctioned in the G.O would be, being costly, will have no work except on "Shandy" days. Hence they propose to employ 8 men on 8 annas per diem on Shandy days only for Collection work, the emoluments of Rs 6/- p.m as against Rs 36/- with the sanctioned establishment. The Municipal Council also contends that more effective Collection could be made with 8 men than with 1 Muthadi and two B.K Collectors. The local officers and the Deputy Commissioner recommend the proposal. The proposal is objectionable ~~relating to the origin~~ for the following reasons

3) (1) It is not known who will be the Chief guiding authority in effecting Shandy Collections,

4) (2) Entrusting the Collection to new hands on daily wages is likely to give room for Corruption and Malpractice, affecting the income to the Municipality

Subject: Re Departmental working of the weekly shandy at Konanur,

---

Adverting to your letter No Camp L 2/Ml 97-42-dated 19-10-42 sanctioning one Mutsaddi on Rs15/- per mensem and two Bill Collectors on Rs 10/- per mensem for working the weekly shandy at Konanur Departmentally, I have the honor to state that orders of Government were communicated to the Municipal Council, Konanur and action is being taken to order the postings

2 The Municipal Council, Konanur have resolved at their meeting held on 13th November 1942, to request Government for reconsideration of their prayer to work the weekly shandy "Amani" by the Municipality on an expenditure of Rs4/- per week or Rs 16/- per month, as eight men are being employed on daily wages of 8 annas each on the shandy days only They also suggest that the sanctioned establishment would not suffice for the shandy work, and moreover the whole time establishment would have no work on other weekdays and that the expenditure involved would also be too high for the Municipal Council to bear The President Municipal Council, Konanur requests for obtaining sanction of Govt , to the continuance of the shandy fee collection incurring an expenditure of Rs4/- per week towards the establishment charges The Sub Division Officer, Hassan recommends that the proposal of the Municipal Council may be sanctioned since the cost of the establishment sanctioned would result in loss to the Municipality

I request that sanction of Government may kindly be obtained on

on the resolution of the Municipal Council.
